

# Integrated Energy Therapy (IET) Basic Level Training

*Learn how to heal yourself with the help of the angels!*

*Jill's motto is "All Angels All the Time" and she can help you connect with, see, feel and hear your loving angels with simple and easy to use spiritual tools.*

In this expansive and healing 8 hour training you will:

- Learn how to "get the issues out of the tissues" with angelic support.
- Receive an Attunement (which is an energetic alignment) to the Angelic Violet Ray and "let the angels do the work" to clear fear, pain and stress from your body, mind and spirit.
- Practice being an "energy intuitive" using the angelic energy of compassion.
- Learn how to give yourself and others a 10 minute angel empowerment.

Upon completion of this 8 hour training, you become a Basic level IET practitioner!

An easy to use manual is included in this course.
