Your angels use your intuition to give you divine messages. Awakened intuition helps you trust divine timing and opens you to benevolence of the universe.

Your intuition is organized in five distinct ways known as the 5 Clair's. Each Clair (clairvoyance, clairaudience, clairsentience, claircognizance, and clairfragrance) is an intuitive channel to your soul's wisdom, your angels' loving guidance and is directly connected to 2 Archangels who can gently awaken these intuitive channels.

Join us to awaken your intuition with a guided Archangel meditation and explore the 5 Clair's by partnering with fellow students to share intuitively received angel messages.

All levels are welcome in this enlightening workshop!
